Dr. Wm. E. Marshall,
629 Boas St.,
Harrisburg, Pa.

Dear Doctor:

When Mr. Manley came to the office I told him of your request for the Eagles to play the Cubans in York on July 11th. He feels that this is too long a trip to make for one day, he will be willing to come there for the 11th, if we can find some other spot nearby for the 10th. We see by the Blue Book that Harrisburg is home, but we thought there might be some other town nearby. If you know of any place and can arrange for the two dates, the 10th and 11th we will come up, otherwise I will have to refuse to make a trip to York for the one day.

Please let me hear from you by return mail, as I will try to get something else for these days, if you are not going to be able to use me.

In going over the schedule I see where the Eagles are in Baltimore Sunday, August 10th, and we leave out from there for a trip out West with the Grays. We could no doubt come to Harrisburg and York for the 11th and 12th on our way West. We could either meet the Grays or bring the Elites with us for these two days.

If you would want to arrange one or both of these games you will have to let me know right away, so I can inform Posey, as he is arranging that trip, and I would not want to interfere with his plans. I will have to let him know right away.

Very truly yours,
